

Science Explorers

**Wednesdays from 3:30-4:30
Ages 5 & up**

Attention future scientists! Come join Ms. Janice & Ms. Tori as we explore the world around us each week through themed science projects. Using the scientific method we will be examining the exciting worlds of:

Solar Energy

Earth

Matter & Motion

Electricity

Kitchen Science

Water Filtration

And MORE!!!!!!!!!!!!!!!

Come out and join us in our science “lab” as we investigate and experiment with our everyday environment!
