Financial Responsibility: I agree to pay as specified above for the rental of a String Instrument Outfit From The Violin Shop, Inc. 100% of the first year (12 Months) of rental payments and 50% of payments thereafter may be applied toward the purchased of a new instrument (in the same instrument classification) from The Violin Shop, Inc. Rental instruments are not for sale unless otherwise discussed. Payments are due on the 5th of each month and will be considered past due if not received by the 25th of the month, thus incurring a \$5 late fee, which cannot be applied toward purchase. Late fees are not optional. I give The Violin Shop, Inc., or their agent permission to check my credit. My MasterCard, Visa, of Discover Card number is provided as security for the instrument I am renting. Should my account become delinquent by two months (60days), all rental equity is forfeited, and the full price of the instrument becomes due and collectable. If such delinquency should occur, I hereby give permission to bill the full price of the instrument to my credit card listed below. Accounts delinquent by 60 days may be submitted to a third party for collection resulting in an additional \$35.00 collection fee. I agree to pay all legal and collection costs related to the delinquency of this account, and give The Violin Shop, Inc., or their agent permission to terminate this contract without notice and to reclaim their instrument if rental is not paid as agreed.

Returns: Returns must be made to The Violin Shop, Inc., 3225-1 Southside Blvd. Jacksonville, FL 32216. Rent will be due for instruments returned after the 5th of the month. Return of the instrument without applying rental credit toward an immediate purchase constitutes termination of this contract, and rental payments cannot be applied toward purchase at a later time.

Damage & Insurance: I agree to accept full responsibility for the instrument being rented, and understand that in case of loss, theft, or serious damage, or failure to return the instrument on demand, I must pay the full price of the instrument.
